NEW ROOF AT 1201 JASPER DRIVE

After months of planning and engineering, the much needed roof replacement on HAGI's Building at 1201 Jasper is now complete! Dwayne Heebner, Housing Manager for HAGI would like to Thank our Tenants, CSINW staff and White Sand First Nation group, for their patience with the lengthy process. Thank you to Northern Sheet Metal for the professional work. The roof replacement was made possible from funds saved in HAGI Jasper's Capital Project Reserves and from a One Time Funding Grant by the Ministry of Housing.
